① Based on MTG Today with IRAAQ Military, CINC has stated that there are NO CML or Bio Munitions in KOWAIT. - He Believes this to be fact.

② ARCENT HAS POSITIVE CONFIRMATION (BY URINALYSIS) OF CML AGENT BLISTER CASUALTY IN VII Corps.

- We are not to bring this up to the press.

- If Press asks, XVIII Abn Corps has had NO CML Casualties. THEY would have to ask VII Corps about their personnel.

ACTION:
